FOREWORD

AS the school year ends once more, and you students part to go your separate ways, may the 1952 *Rosemary* bring to you many pleasant memories. Our theme, which is one the staff choose as a tribute to her, centers about our first lady of the year, Miss McClurg. We hope that the illustrations throughout the book will recall many pleasant happenings in lab class. And may the pictures and stories, as you glance over them again and again, bring back many happy thoughts of 1951 and 1952 at Urbana High.

Dedication

To Miss McClurg—

For teaching us the beauty of all things around us, large or small . . . for her concern for the welfare of all her present and former students . . . for her spirit of cooperation and fairness to all . . . for her interest and superior knowledge in the field of biology . . . for her smile, which is so contagious to her students . . . for friendliness which she is never without . . .

We affectionately dedicate the
1952 Rosemary.

Administration

Mr. Loew's capable secretary,

Mrs. Jo Ann Griese

Mr. C. C. Loew

In his fourth year as Superintendent of Schools in Urbana, Mr. C. C. Loew worked successfully, together with members of the Urbana Board of Education, to improve our schools. During the present school year, the schools have been using the new additions at Hays, Washington, and Webber Schools. These added classrooms, kindergarten rooms and auditorium-gymnasiums to existing buildings.

The new Flossie Wiley Elementary School is nearing completion, and will be ready for occupancy for next school year. This building contains eight classrooms, kindergarten room, and auditorium-gymnasium.

In October, 1951, the voters of the district approved the issuance of $575,000 in building bonds additional to the $840,000 voted earlier for the new junior high school. This made construction possible. Work was started in December, 1951, on the southeast corner of the high school site. This $1,415,000 building will contain facilities to be shared by Urbana High School, the principal ones being the gymnasium and bandrooms. Completion is expected by September, 1953.

During the school year, the Board continued its practice of holding a special meeting each month in order to hear reports on the curriculum and educational program. With the meetings of last year, all phases of our instructional and extra-curricular program were studied.

Left to right—Mrs. Esther Blackburn, Mrs. Emma Ekblaw, Mr. Harlin Bickers, Mr. Lowell Fisher, Mr. F. R. Steggerda, Mr. Harley H. Harmon, Mr. Nathan V. Filbey, Mrs. E. M. Lyman, and Mr. C. C. Loew (Superintendent).

Principal and Deans

Seniors of 1952, this splendid *Rosemary* is largely your history. Four years ago you entered the life of the Urbana High School and each year you have played an increasingly larger role in its activities.

You are the only Urbana High School class I have known for four years and perhaps that accounts for the special regard which I have for you. You have been courteous, considerate, cooperative, intelligent, and capable.

Your accomplishments and successes have been many—in the classroom, in the fine arts, and on the athletic fields. Your departure will present a definite challenge to those who would assume your role of leadership.

Mr. R. H. Braun
Principal

I hope that you are sorry to leave the Urbana High School, for that would indicate many pleasurable and worthwhile experiences here. Even youth, however, can only fleetingly enjoy youth and soon you should be looking forward to the adult role you must play in life. I am confident of your success.

MR. R. H. BRAUN.

Mr. Ralph Davis
Dean of Boys
Assistant Principal

Mr. Ralph Davis has always welcomed the students who seek his guidance. His office was rarely unoccupied, for there were usually boys waiting outside his office door for various reasons, such as getting absentee excuses, or making schedule changes. Besides his duties as dean, Mr. Davis taught classes in general science. Along with the position of sponsoring the UHS Student Council, he was adviser to the State Student Council. Mr. Davis' friendliness and his sincere willingness to help will not be forgotten by the students of UHS.

Miss Sarah Fisher
Dean of Girls
Assistant Principal

Miss Sarah Fisher always managed in her busy schedule to give much individual attention to each student needing her help and advice. At any time of the day you could find her working at her many duties, such as arranging activity dates on the school calendar, checking absent or tardy excuses, or advising UHS girls in various personal matters. Besides teaching secretarial training and shorthand, Miss Fisher sponsored the Social Klub. All UHS girls are grateful to Miss Fisher for her untiring helpfulness to them all.

CLASSES

SENIORS

With much regret, we find too soon that it is time to say farewell to Urbana High School, and to take our places in society, or in higher halls of learning. All too vivid is the memory of that first day we entered Urbana High; and of how we admired the sophisticated seniors. Now it is time for us to pass on the distinguished title to the class of '53, and to depart. But we are leaving a grand record behind us, and taking with us many memories that we will cherish for years to come.

We will remember with pride our fine athletes, who improved the football record so last season; and our swift cagers who came so close to defeating Danville. To put us in a dreamy mood, there was the beautifully decorated Christmas Dance, and the crowning of our attractive queen.

Then there was the fun we had at the exclusive skip-day for seniors; Class night, where we heard our fates; impressive Baccalaureate; and the always-sad strains of "Pomp and Circumstance" as we marched up to receive our diplomas.

With gratitude we will recall our teachers, coaches, and deans; their concern for our welfare; and others who helped us with our ever-present problems. Sadly, but with pride that we had been guided by their influence, we will recall two of our favorite teachers, who passed away during the year.

Always to be remembered are the noisy halls during lunch hour; the friendly janitors, always ready to help those in need; the well-planned assemblies; the luscious aromas arising from the cafeteria around noon; the smiling office secretaries; and the happy-go-lucky Tiger's Den.

Lastly, we part with our classmates; some of whom we will never see again; others who will be the newsmakers of tomorrow. Each of them has given us something which has enriched our lives.

Yes, regretfully we leave high school; but as we take our places in the busy world, U.H.S. will be cherished by us all. To the future seniors of Urbana we say, "Make the most of your four years of high school. There's nothing like it."

JUNIORS

We, the Junior Class of 1953, have just completed another happy year at Urbana High School. We have had many unforgettable experiences as we prepared for our senior year.

We entered U. H. S. last fall as upperclassmen. To start the year off we elected our class officers. They were Tom Luker, president; Phil Flores, vice-president; Barbara Vandervort, secretary; Stuart Dawson, treasurer; and Shirley Rasmussen, *Rosemary* representative.

Our class was well represented in athletics. Such football leaders as Jim Johnson, Dick Hegenbart, Earl Hadfield, and Ralph Campbell helped to make the season very successful. The wrestlers did a marvelous job under the leadership of Captain Ray Stout. We also supplied athletes for swimming, basketball, and track. Through our junior cheering section we supported the various sports.

The juniors were members of most of the organizations. We were represented in G.A.A., F.H.A., band, "U" club, dramatics, and on both the Echo and *Rosemary* staffs. Twenty-seven members of our class were elected to the Junior Scholastic Honorary, Psi.

We will never forget how we met Macbeth through Miss Rompel's and Mr. Hynes' English classes and the fun we had in "Woody's" civics and economics classes. Typing proved to be a new and interesting class for some of us.

Members of the Junior Class worked hard selling candy, initials, and pennants and having scrap drives and paper drives to make money for the Junior-Senior Prom. The arrival of our class rings caused much excitement, and gave us a true "upperclass" feeling. All of us are anticipating our responsibilities as seniors.

Does Shirley really deserve horns? Ogdon, Mattlin, Muesing, Rasmussen, Moorehead. . . . What's the matter boys, too much to drink? Douglas, Prehn, Whalin. . . . Two cute juniors, Muesing and Mattlin.

SOPHOMORES

The class of '54 was a typical one! Like other sophomores who had proceeded us, we came back to Urbana High School feeling extremely confident of ourselves and acting especially superior to the green freshmen. Our peppy class, who yelled wholeheartedly at all the games, certainly added much to the growing spirit and enthusiasm. We were all proud of our husky athletes, fancy twirlers, and our peppy cheerleader.

Other classes soon became acquainted with the terrifying screams that came from the biology room. However, this was nothing to be seriously alarmed about—since the sophomores were only dissecting innocent little frogs! Geometry became a bit complicated at times, but we survived. Although we did not learn every word in the language, we also had fun in our language classes.

More members of our class were added to Delta Sigma, and a few even made Thespians! In fact, our class was very well represented in the school plays, "Men Are Like Streetcars," and "Footloose."

All of the enjoyable dances at the Tiger's Den were extensively planned and supported by our energetic class representatives. We entered enthusiastically into discussions at club meetings, rushed around doing *Echo* assignments, and worked hard on the Student Council.

Some of the brighter students made Lambda, Sophomore honorary, while still others held high positions in Vivace, Band, and Orchestra.

Yes, our sophomore year has been brimful of fun as well as hard work; now we are looking forward to two more interesting years at Urbana High.

FRESHMEN

How long it seems since that memorable day last fall when seventy-two girls and eighty-nine boys climbed the stairs of U. H. S. with mixed emotions. Huddled together in bands, we talked to our friends in suppressed excitement—finding some comfort there. All of us wondered what the next four years would bring! Speaking to an upperclassman here and there, we tried to look important, brave, and at ease, which was more than we felt.

During the next few hectic days that followed, the class of '55 was seen desperately trying to get to class on time and to "get in good" with the teachers. That, however, was before they reckoned with the lockers. After the first week of wearing out the janitors, teachers, and upper classmen, a few fortunate freshmen finally learned that the little knob wasn't there just for decoration—you turned it and the lockers came open!

Gradually the days passed. Then came class elections, first grade cards, as well as numerous clubs and sports. The boys made names for themselves in basketball, football, wrestling, cross-country, and swimming, while the girls did their part in G.A.A., S.K., and F.H.A. We were also well represented in Student Council, International Language Club, Delta Sigma, Phi Kappa Kappa, Library Club, and Junior Red Cross. Many of us made Alpha, while some of the talented ones contributed to the band and chorus. Still others of us got jobs on the *Echo* and *Rosemary*.

Yes, we, the freshman class of Urbana High have mastered new skills so that we are no longer called the "green freshmen." We have become accustomed to the trials and tribulations of Urbana High, and are now looking forward to the fall of '52 when we, too, will be well-poised and self-assured.

ACTIVITIES

PHI KAPPA KAPPA

The 1951-52 season of Phi Kappa Kappa was started off with a late autumn hamburger fry at Hessel Park. Phi Kappa, one of the oldest and most active clubs at Urbana High, also kept busy selling football pencils and Tiger "pep" badges. In October, the club collaborated with Delta Sigma, Student Council, and International Language Club to sponsor the annual Christmas Dance.

Quite unexpectedly, this year the French Club got direct reports of France from some French soldiers who were stationed at Chanute Field. These men were invited to the annual Christmas party given by Phi Kappa Kappa, and seemed to enjoy it as much as the members enjoyed helping them to have a nice Christmas.

In February the initiation banquet was given, and seventeen were initiated into the club.

All in all, Phi Kappa Kappa, has had another happy and busy year.

course, after the worst was over, many laughs were had over the comical class snapshots.

One of the largest ad budgets yet collected was efficiently handled by this year's peppy ad staff members, ably coached by Ad Manager Charlotte Bunn. The big job of handling money and of writing publicity was capably handled by Betty Ann Goldenstein, business manager.

On many occasions you saw "the little man with the camera" in the halls, and you were pleasantly surprised to find yourself being loudly called from class to have your picture taken.

Besides these jobs, the editors also had the task of choosing a theme, an appropriate cover for the book, and learning terms such as *bleed, mortise,* as well as many others.

A few panicky days were had as the deadline for the book to go to press approached. But, in some manner, it got to press on time, and is now in your hands. We leave the enjoyment of it up to you!

The Echo . . . Our Newspaper

Mary Carol Waxler
Editor-in-Chief

Mr. Hynes
Adviser

Every other week during the school year, the school newspaper, *The Echo*, brought the news of the school to Urbana High students. *The Echo*, sponsored by Stanley Hynes, and edited by Mary Carol Waxler, informed the students of club activities, sports, and gossip of UHS.

Though much work and time was consumed in publishing *The Echo*, the work was distributed between the editors, Sherrill Hodson and Gretchen Fisch, assistant editors; Marina Steggerda, news editor; Beverly Phillips, feature editor; and Ralph Campbell, sports editor.

On Wednesday before *The Echo* was printed, the staff made up a dummy issue of the paper and rushed it to the Illini Printing Company on the campus. The following day a page proof was returned to them, and the proof-readers made last-minute corrections in the paper. On the following Friday, every nose in UHS was covered by a copy of *The Echo*.

Equally important in the newspaper world are the staffs who finance and circulate the papers. The ad staff was ably headed by Phyllis Long, ad manager; and Norma Cross, assistant ad manager. Phyllis and Norma were responsible for assigning ads and canvassing business organizations for advertisements.

Sandra Clark, circulation manager, was in charge of putting the papers in lockers, selling *Echoes* at noon, and sending *Echoes* to out-of-town subscribers and other high schools in the state.

This year there were fifteen regular issues of *The Echo*, and one eight-page issue at the end of the school year honoring the graduating seniors. The eight-page paper was a review of the year's activities, and listed the names of all the members of the senior class.

In October, *The Echo* staff attended the Illinois State High School Press Association Convention at the University of Illinois. At the meetings they heard talks on how to improve their paper, correct newspaper techniques, problems of a high school newspaper and how to solve them, and other specialized topics.

STUDENT COUNCIL . . . . . .

OFFICERS

Sitting—Jane Beaird, Secretary; Jeanne Brunkow, President. *Standing*—Beverly Phillips, Treasurer; M. C. Waxler, Vice-President; Barbara Vandervort, Parliamentarian.

Acting as the voice of the student body, the student council carries out the ideas and suggestions of the school. The only representative body in school, this group is composed of representatives from each homeroom and honorary members.

Just before school officially started, the council sponsored a freshman orientation program. The purpose of this program was to acquaint the freshmen and new students with the school and faculty.

The chief source of money for the council was earned by selling concessions at the football games. Throughout the football and basketball season the council furnished ushers in the reserved sections. They also sponsored pep assemblies before the games.

. . . OUR GOVERNING BODY

Two social activities sponsored by the council were the annual Christmas Dance, and the Sadie Hawkins Dance.

As a result of a suggestion brought from a freshman homeroom, a learn-to-dance program was sponsored by the council, and was warmly received.

In the early spring the students took over the school on the traditional Student Government Day. A story about this program was used as material for the Voice of America broadcasts across Europe.

Exchange assemblies were enjoyed from Decatur, Champaign, and University High School. Urbana presented to them an assembly which was a talent show in the form of a U. S. history class.

The International Language Club is composed of three language departments, Spanish, Latin, and German, with sponsors Mrs. Moot, Miss Kirk, and Miss Bauer, respectively.

For a Christmas project, all the members of the club drew names of those persons at the Champaign County Home. Each gave that person a small gift, and the entire club visited the Home to present to them a Christmas program. The program consisted of Christmas carols sung in all three languages, concluded by the singing of many English carols. Several short legends and stories were told.

Another project of the club was the annual Mother's Day tea. Several students gave short speeches, while others entertained with musical numbers.

Travel Club

Travel Club has successfully taken its place among the leading organizations of our school. Under the leadership of Woodrow Viseur, and composed of juniors and seniors, the club sponsored various money-raising projects this year. Among them were the Homecoming Dance, a hop, paper drives, a benefit show, and candy and bake sales. The profits all went toward one goal—a ten day trip in April to Washington, D. C. and New York City.

The first point of interest to be visited by the travelers was New York. While viewing the pleasures of this thriving metropolis, they toured the Empire State Building, the Statue of Liberty, Staten Island, the Bowery, Central Park, Radio City, Harlem, and many famous department stores. The group also attended several well-known radio broadcasts and television shows.

The next stop was Washington, D. C. and such interesting places as the Capitol building, the Congressional Library, National Gallery of Art, Smithsonian Institute, Federal Bureau of Investigation, the Senate, House of Representatives, and the Lincoln, Washington, and Jefferson Memorials.

The final leg of the journey was back home to Urbana.

Social Klub, one of the most popular and active clubs at Urbana High School, is more familiarly known to some as SK. Miss Fisher, Dean of Girls, is sponsor of this all-girls organization which had one of the largest memberships of all clubs at UHS. All UHS girls are eligible for membership and each year a large percentage joins.

To start the school year, in September the SK sponsored the annual Big-Little Sister Party in the gym after school. Freshmen and new students were paired off with SK members as their big sisters for an afternoon of record-dancing, entertainment, games, and refreshments. By this method the freshmen and new students became acquainted with the upperclassmen.

This year SK also sponsored two hops after football games. The first hop was on September 14, the first football game, at which Urbana entertained Schlarman, and the second hop was on October 26 when Urbana played Kankakee. Out-of-town players and guests were invited to these dances in order to become better acquainted with UHS and its students.

At Christmas SK put up the Christmas tree in the main entrance. It was gaily decorated with ornaments of many geometric designs, which were made, as in the last few years, by Miss Nelson's plane geometry classes. After school was dismissed for Christmas vacation, the tree was given to the JRC to give to a needy family.

Late in May, SK sponsored their annual Senior Breakfast. All Senior girls were invited and at this time the officers for next year were installed.

Ex-Libris

OFFICERS

Newell, Mansfield, Douglas, Atteberry, Warfield

Ex-Libris was originated in order to provide library service to the school, and to increase students' interest in reading. This year Ex-Libris members worked hard to uphold this purpose.

The duties of the members included checking books in and out, mending and dusting the equipment, and helping people find the material they desired. As a reward for their services, they received one credit and the chance to earn the library "U."

Under the leadership and help of Mrs. Schwabe, the club raised money by selling refreshments at the football games, and by sponsoring a movie at the Princess Theater. Other good times and activities included the formal initiation banquet in February, and a gift exchange party at Christmas.

The Audio-Visual Aids Club gives special service to the members of Urbana High School. The members of this organization show movies, film strips, and slides for various classes during the day, and occasionally for club meetings and banquets.

This year, as in previous years, the club sold refreshments at the football games to earn money for club improvements. They also sponsored two movies at the local theater. With the money earned, the club bought a new wall screen and obtained a new opaque projector for use in various classes.

The club also sponsored a number of social activities, one of the highlights being the fall picnic and weiner roast for new members. At the meetings, which were held the first Tuesday of each month, the club's business was transacted, and movies were shown. Ending this year's activities, the club took a trip to Turkey Run, Indiana.

Future Homemakers of America is an organization for girls who are interested in Home Economics. This year the Urbana Chapter had about twenty members. The Chapter Mothers were Mrs. John Miller and Mrs. Guy Hart; the sponsor, Mrs. Hazel Hasty.

Before a girl can be formally initiated she must take one semester of Home Economics and pass a test which proves that she knows the main purposes and ideals of F. H. A. After she has passed the test she may work for degrees of achievement.

The theme for this year was "For a Brighter Tomorrow," and was carried out in design on program books, place cards, name tags, and in the Publicity Book. The Publicity Book is a yearly record of chapter activities compiled by the members.

One outstanding good deed for the year was sending money for a complete outfit of clothing for a Korean girl.

The main social activities consisted of a Christmas party, a Mother's Tea, and a party for new members.

Graphis

OFFICERS

Bills, President; Mathews, Secretary-Treasurer; Morfey, Vice-President.

Graphis, formerly known as the Art club, had as its purpose the study of advanced art and study for those students who were interested in expressing themselves through various media such as oil, watercolor, chalk, ink, and metals. Mr. Harlan Corrie, art instructor, was the club sponsor.

Each member completed an individual project. Some made tea-pots while others made bracelets, rings, or other pieces of jewelry. All have fashioned an official Graphis pin, in the shape of a triangle, which was of black enameled copper with an inlaid copper "G".

Several members spent a week-end in December in Chicago where they toured the window display workshop at Marshall Field and Company, studied the settings of a stage play, and visited the Art Institute.

During the Contemporary Arts Festival at the University of Illinois, members attended lectures on pottery-making and silver-smithing. Many visited the exhibit of paintings in the Architecture Building.

Saskatchewan

Under the able leadership of Mrs. Joseph Schelter, Saskatchewan completed numerous activities which included a series of courses on charm, a talk on the religion and customs of India, and a week-end trip to Camp Kiwanis.

The 1951-52 officers were: President, Priscilla Shively; Vice-President, Norma Creekmur; Secretary, Joan Reed; and Treasurer, Betty Atteberry.

Der Wissenschaft Verein

Under the sponsorship of Mr. Paul E. Smith, Urbana's science club completed its most outstanding year of activity. During the year, the members took many field trips to the U. of I.

The financial status of the club was remedied at the beginning of the year with the appearance of the "Tigerectory."

DELTA SIGMA

Delta Sigma is the social dramatics club of Urbana High School.

This year, several interesting guests were invited to speak at the meetings. In September, Miss Geneveive Richardson, Costumiere from the University of Illinois, showed colored slides of the costumes from the different productions at the University. Another guest speaker was Mr. Kenneth Burns, who gave a comedy prose reading. At the last meeting of the year, Dr. McIlrath from the University gave an interesting reading.

Delta Sigma was in charge of the entertainment at the Christmas Dance this year. Also in December the club took their annual trip to Chicago, this year to attend the production, "Gentlemen Prefer Blondes."

The twenty-fifth year of Delta Sigma was climaxed with the initiation of thirty new members, which was held at the last of May.

THESPIANS

National Thespian Troupe 161, 1951-52 had a most successful year. The membership grew to over thirty as the year moved on.

The sponsor of our club, Miss Wilma Dryden, came to Urbana in the fall of 1950. She received her B. A. and M. A. degrees from the University of Illinois in English and is doing further graduate work there in Theatre. She claims ten years' experience in high school directing, a summer's work at The Pasadena Play house, and two summers of production in a livestock sale-barn in her home town, Cissna Park.

This year the production which most starred Thespians was not billed solely as the Thespian play, since members of the dramatics class participated in "*The Trojan Women*" and "*The Hasty Heart*," too. However, their experience was put to good use in the fall revue and in the spring production, "*Footloose.*"

Men Are Like Streetcars

The first dramatic production of the year, "Men Are Like Streetcars", was presented on the evenings of October 8 and 11 in the UHS auditorium. Heading the list of characters was Maudie, a delightful teenager, who coined such phrases throughout the play as, "Men are like streetcars; if you miss one there'll be another along soon!"

Among the things Maudie considered her responsibility were marrying off her attractive, older sister, Sylvia, promoting her father's bank loan, and teaching her cousin Joy her "entire line" with boys. Both Sylvia and Jerry, the boy next door, became quite irritated at Maudie's intervention in their affairs. Jerry demonstrated his anger in a hilarious scene in which he turned Maudie across his knee and gave her a spanking, which he declared she had "had coming for sixteen years!"

Then, in teaching her cousin Joy her "technique" Maudie really brought down the house; Joy succeeded in snaring every available male in the neighborhood. To make matters worse, Davy, Maudie's "steady", also seemed to succumb to Joy's charm.

Eventually, the misunderstandings worked out, the confusion subsided, and Maudie was accepted back into the good graces of all, vowing that in the future she would resign to telling the plain ordinary truth.

ACT III — THREE MOTHERS REGISTER DISAPPROVAL

Three indignant mothers come to protest Maudie's "methods"—Gwen Cantrell, Peggy Gher, Dorothy Hutton, Mary Retheford, Delores Allen, and Dick Milum.

Hecuba (Joan Burch) greets her grandson, Astyanax (Geri Polsky) and his mother, Andromache (Wilma Eskew).

The Trojan Women

For the first half of the winter dramatics double feature, the group presented "Trojan Women," a classical Greek tragedy. As told in the Greek legend, Helen of Troy had run away with Paris, the Trojan Prince, betraying Menelaus, her husband. In order to gain revenge, Menelaus and the Greeks come after her. The ten years' war begins in which the Greeks resort to trickery to defeat Troy. A wooden horse filled with soldiers is taken into Troy under the guise of a gift from the goddess, Athena. As a result of this trick, the Greeks are able to destroy the city.

The play takes place among the remaining ruins of burning Troy with the Queen, Hecuba, bemoaning her nation's

fate. With her are a number of other Trojan women, who have nothing to look forward to except enslavement. They await the coming of Menelaus, who will take them to Greece. As the story unfolds, Cassandra, the Queen's daughter, appears, to predict ruin for Greece.

Love and grief are brought to a high pitch as Astyanax, the young son of Hector and Adromache, is taken from his mother and thrown from the walls of Troy. Conflict and hate appear in the scene between the Queen, Helen of Troy, and Menelaus, her betrayed husband. In this scene Helen makes her last appeal of innocence blaming everything on the gods. But Menelaus remains unmoved and promises her that she will die.

Finally the trumpet sounds and the women are led off to live as slaves of their enemies.

Helen of Troy (Dorothy Trotter) tells her story to Menelaus (Paul Britz) as Hecuba (Joan Burch) looks on disapprovingly.

The mad Cassandra (Karen Hultzen) in her bridal dance.

George Douglas as Lachlen McLachlen, and Jacquie Lain as Sister Margaret, portray a touching scene from "The Hasty Heart."

The Hasty Heart

The second portion of the midwinter bill consisted of a cut version of "The Hasty Heart" which also represented Urbana High School at the State Contest! This World War II drama takes place in a British hospital hut in South East Asia where five soldiers from the various Allied armies are convalescing.

The play opens with the admission of a patient to the ward, Lachie McLachen, complete with Scottish brogue and bagpipes, who is suffering from an uncurable kidney injury and has only a short time to live. He is unaware of this, but the other patients, and especially bonnie Sister Margaret, the nurse in charge of the ward, make every effort to brighten his last days. Lachie, however, is uncooperative and resists the friendly overtures of the Australian, the New Zealander, the Englishman, the Basuto and the Yank. As their supreme act of kindness, they order a kilt for Lachie for his birthday.

Finally, friendliness wins out and the unsocial Lachie basks in the warmth of a

companionship which he has never before experienced. In fact he goes so far as to ask Margaret to be his wife. Margaret, overwhelmed by the circumstances, accepts from a sincere love for the unfortunate soldier.

Complications occur when the Colonel finds it necessary to tell Lachie his true condition. When Lachie realizes that the friendship of the patients was prompted by a consideration of his condition, he becomes bitter and asks to return to Scotland. However, when he discovers that they will not beg him to stay, he swallows his pride, and asks to be reaccepted.

URBANA HIGH'S BAND

The Urbana High School band completed another outstanding year of service, under the direction of Mr. James Gross. Though considerably smaller because of conflicts in the hour period, the band made U. H. S. proud of its musicians.

In their snappy uniforms, their year began by marching at football games. Led by drum majorette Andrea Freeman and six perky twirlers, the band was also preceded by the white-clad Court of Honor on the nights of Big Twelve games. The band and court also appeared at several out-of-town games.

With the coming of basketball season, the pep band enthusiastically made its appearance, playing for pep assemblies and home games. The Court of Honor had the privilege of presenting the colors at various home games.

The band practiced loud and long for its annual winter concert, which proved to be a great success. In April came the long awaited state contest. Additional activities of the band included playing for the National Guard when it left for California, and playing for Baccalaureate and graduation exercises.

ORCHESTRA

In its second year of operation, the UHS orchestra, under the capable leadership of Mr. Hugh McGee, felt it was qualified to make its debut. After practicing hard and long, they were asked to play for the two midwinter plays. Since the two dramatic productions contrasted so much, one being a comedy and the other a tragedy, it offered the opportunity for the orchestra to "show their stuff," which they did very well. UHS is looking forward to another orchestra performance in the near future.

VIVACE

VIVACE OFFICERS

Row 1—McKinney, Secretary; Booe, Vice-President; Jardine, President; Wilson, Treasurer.

Row 2—Randall, Moore, Harstad, Gray, Hall.

Vivace, a club for girls who enjoy singing, was started last year, but this fall it elected officers and became a full-fledged U. H. S. organization. Composed of seventy chosen members, the group practiced each Wednesday after school. Pins were ordered by the members, with the special Vivace emblem on them. To climax the year, the group put on a social in May, which consisted of a musical program, followed by dancing and refreshments in the gymnasium.

VOCAL DEPARTMENT

The vocal department of Urbana High School completed a highly successful season last year. Under the capable direction of Mr. Hugh McGee, many programs were held, to the great enjoyment of parents and students. An excellent Christmas program was presented, combining the talents of all the vocal organizations.

Despite the conflicts due to the hour period, many students signed up for mixed chorus and a cappella choir, which could be heard practicing third hour.

A new group, Harmonettes, was formed last fall, composed of Vivace members with superior singing ability. This group soon established itself in the ever-growing vocal department, and appeared at several luncheons and assemblies. Three of the Harmonettes, Peggy Hoover, Ineda Booe, and Frances Frank, formed a very fine girls' trio, which made numerous performances in the community. U. H. S. regrets that it will lose this trio through graduation.

The boys' glee club made its only appearance at the Christmas program, where it sang two numbers. The formation of such a group proves that girls aren't the only one who like to sing, and Urbana High is looking forward to another performance by them in the near future.

Mr. McGee has been doubly busy this year, as he taught beginning and advanced strings in addition to the music groups. We are all grateful to him for his fine work, and for creating within the students a greater love and appreciation for music.

ATHLETICS

OUR COACHES

The coaching staff at Urbana High School is the best to be found.

Completing his seventh year at Urbana, Gene Armer, Athletic Director, coached his cross-country team to a state championship and led the track team to a successful season, besides scheduling all of the Tigers' games and meets to the best of our advantage.

In his second year at UHS, Liz Astroth served as head football and basketball coach. Liz has become liked by the entire student body, and has always set high standards of sportsmanship and moral qualities for his boys to follow.

Mr. Woodrow Viseur finished another successful season as reserve football and basketball coach. "Woody" was also head golf coach.

In his first year of coaching, Nate Johnson headed the wrestling team and assisted in football and track. His easy-going way and his ability to get work done have combined to make Nate respected at Urbana High.

Rounding out the coaching staff was Mr. Harry Ryan, who was head swimming coach and assisted in football and track. His hard work and friendly smile served to make him a well-liked coach in U. H. S.

The "never say die" spirit carried the football team through the eight-game schedule to a season's record of six wins and two losses. Although the first six were victories, these wins did not all come from ability. At the first of the season, the Tigers were not figured to win over three games; but they started practicing by themselves during the summer, and developed the team spirit that was to carry them to the second straight winning season.

The first show of this newly-found spirit was in the opening game against Danville Schlarmann. The Bengals thoroughly outfought and outscrapped the Hilltoppers for the victory, 7 to 6. The Tigers, who were behind, were going into the last three minutes and three seconds when Urbana got the ball on their own 41-yard line. Just eight plays later Merwin Kirby passed to Dick Hegenbart in the end zone just as the game was ending. After the game was over, Kirby again dropped back to pass, this time to Dick Rudicil in the corner of the end zone for the point and the victory. Dick Hegenbart carried the ball sixteen times for 120 yards and a 7.5 average.

On September twenty-first the Bengals journeyed to Georgetown for their second game. The Georgetown team could not match the Tigers, on the ground or in the air. The Tigers rolled to an easy 26 to 7 victory, and what might have been a shut-out

if it had not been for a pass play that clicked for the Buffaloes late in the third quarter.

Next on the Tiger's list of wins was Danville, at the Urbana Homecoming. It was the first Big Twelve victory to open a season since 1945, when they defeated Danville. Urbana had an easier night of it than the 14 to 12 score indicates, since Danville scored in the last minute.

The following week Mattoon did not know what had happened until after the smoke had cleared, for the Tigers had scored twice before the Green Wave even touched the ball. The final score read 24 to 14, making another win for the "new" Tigers. The running of Jim Johnson and Dick Hegenbart, as well as the passing combination of Kirby to Rudicil, had been felt and were beginning to be treated with the respect they deserved. They would be watched the rest of the season.

The Uni High Pioneers of Normal offered little resistance to the now-potent Tigers as they took their place in the ever-growing ranks that have to say, "We were beaten by Urbana." Everyone who dressed for the game had the opportunity to play, and the score was raised to 31 to 0 before the Pioneers could score. The running of Jim Johnson, junior fullback, could not

With all our hearts we cheer for you and
That good old football line we'll back, so
Fling out your colors of the orange and black,
You're the fairest, bravest, in the land,

be stopped as he averaged 11.2 yards per try. The last touchdown was made by reserve player, Claude Linford, which made the score read 37 to 7 at the gun.

For their third straight win without a defeat in the Big Twelve, and their sixth win of the season, the Tigers traveled to Decatur to ruin the Homecoming of the Reds by the score of 21 to 19. Dick Rudicil led the Tigers to a last-minute victory as he caught a pass, after being injured, to set up the last score for Urbana. Merwin Kirby, in addition to the pass to Rudicil, also completed four other passes to complete five out of eight for the night. The game saw Gene Dunn score two points by way of a safety when he tackled Bob Abbott, the Red quarterback, in the end zone.

A Kankakee team, led by Elmer Griffin, finally turned the tide against the Tigers. They did this by completely outrunning the U.H.S. team. An injury to Dick Rudicil, star end for the Tigers, helped to encourage them. Jim Johnson led the Bengals as the passing combination of Kirby to Rudicil was now nullified. He gained consistently around the ends of the Kays. Kankakee scored in every period, while Urbana scored only in the last three, and the game ended 25 to 18.

On a cold, damp night that almost matched the spirits of all U.H.S. followers after the game was over, Champaign defeated Urbana once more on the football field. The final score was 30 to 0, with four of the five touchdowns set up by fumbles and intercepted passes. It was the last game for the seniors on the squad.

This year the Urbana reserve football squad, coached by Woody Viseur, showed promise of some rising varsity players for next season. Several players, including Claude Linford and R. A. MR. LIZ ASTROTH

With six returning lettermen, including four regulars on the '50-'51 squad, Urbana's hopes were high at the beginning of the season. Coach Liz Astroth gave the team hard work and a fighting spirit which was hard to beat. The Tigers played championship ball at times but also had a few "off" nights. Winning their first three contests, the team appeared to be off on a winning season. But Urbana dropped four straight before avenging their first defeat against Charleston in the Paris Holiday Tournament. Urbana won games from such good teams as Mattoon, Streator, Cathedral of Springfield, and the Okaw Valley Champions and Runners-up, Monticello and Tuscola, while dropping close ones from tough Danville, Peoria Manual, Champaign and Kewanee.

Urbana was rated a darkhorse in its own Regional Tourney. However, after completely outplaying University High to win the first game, they lost the semi-final game to Champaign, who later won the tournament and went all the way to the State. Seniors playing their last game for Urbana were Merwin Kirby, Lyle Dahlenburg, Harman Smith, John Hedgcock, Dick Rudicil, and Don Kenney.

The Urbana High School track team was strong as usual this year, due to the large number of returning lettermen. Heading this list were Jim Johnson, Claude Linford, and Dick Hegenbart, juniors; and Harman Smith, Merwin Kirby, John Hedgcock, and Ray Wilson. The season got off to a good start as they won the Urbana Open, and captured third place in the Paris relays.

Urbana ended the season with ten wins including the Urbana relays. They also placed first in the district and made four and one-half points at the state meet. The school is very proud of our splendid track team and coach.

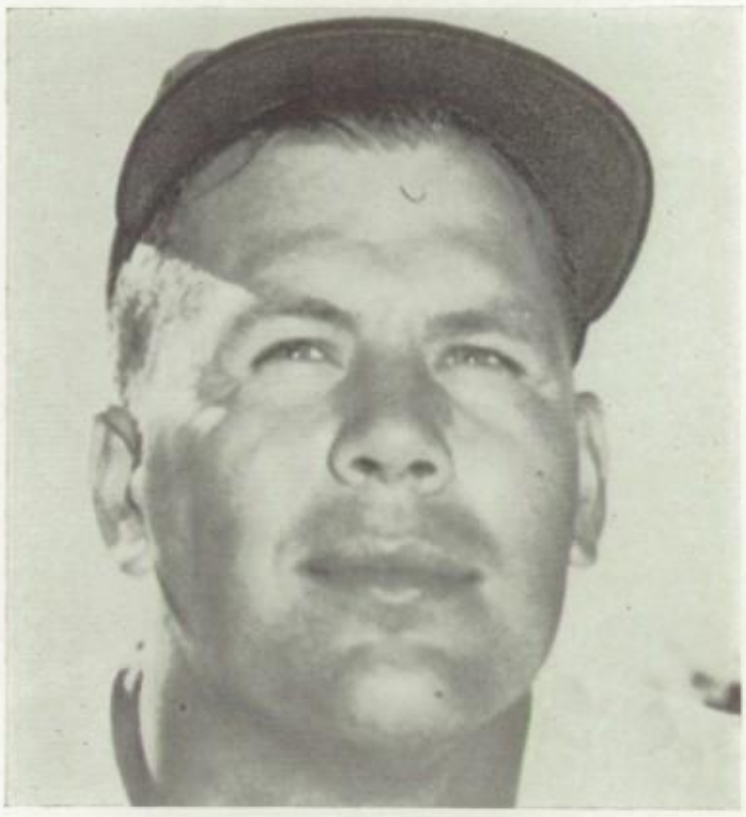
Wrestling



MR. NATE JOHNSON
Wrestling Coach

The U. H. S. wrestling team did very well for themselves this year. They were the sectional champions and runners up in the Big 12. Their dual meet record was four wins and five losses. Six members of the team travelled to Proviso to the State Finals, but failed to place against strong competition.

They made a running start by trouncing Paxton 34-10, and then met a strong Pekin team, only to be defeated, 20-12. Mattoon also proved to be powerful enough to defeat the Tigers, 20-19. However, they bounced back to beat Danville 22-16 before falling to Champaign. The Paxton team once more proved no match for the improving team as they were strangled 33-3. Danville throttled the U. H. S. team back by the score of 19-17. Then at Danville came a preview of what

was to happen at the sectional as they were barely nosed out of first and had to settle for a second. This setback must have had something to do with the licking handed them by Champaign for the second time this year. The highest point of the season came at the sectional where Urbana collected a total of four firsts, two seconds, two thirds, and a fourth.

Although the team will be losing six lettermen this year, there are some up-and-coming underclassmen who will make us proud of our wrestling team again next year.

Cross Country

Under the capable guidance of Coach Gene Armer, the Tiger harriers, with Verlon Sheuring, Tom Luker, John Hedgcock, Lyle Dahlenburg, and Cordell Hopper returning as lettermen, worked hard and went on to an undefeated season in dual and triangular meets.

With John Mock, Leonard Wilson, and C. L. Munhall adding much strength to the team, Urbana was the favorite to win the Big 12 title. Although Verlon Sheuring won first place in near-record time and Tom Luker was third, the Tigers were edged by Danville for the conference championship.

In the district meet, run over the Urbana Country Club, Urbana regained lost prestige by beating Danville, Paris and other entries. This qualified the team to enter the state meet the following weekend.

VERLON SHEURING
Big 12 Champion
Second in state meet

Running into the face of an icy wind, the Tigers all came through with their best performances of the year to win the state championship with a total of 21 points, the lowest total in the history of the meet. Verlon Sheuring took second place, John Mock fourth, Tom Luker sixth, Leonard Wilson twelfth, and John Hedgcock sixteenth, to complete the scoring.

The success and record of this year's team are the highest attainable, and pay a great tribute to their coach, and to their school.

Every boy who goes out for athletics looks forward to the day when he receives a varsity letter, which entitles him to belong to the "U" Club. The aim of the club is to promote better sportsmanship, to promote ideal manhood, and to aid the coaching staff.

Led by Merwin Kirby, president; Bob Divine, vice-president; Jim Johnson, secretary-treasurer; and sponsored by Gene Armer, the "U" Club served as ushers for basketball games and sponsored the annual "U" Club Dance on May 10 in the UHS gym. At this dance, one of the main social activities of the year, new letter winners of the past year were formally initiated by the officers and old members.

GAA OFFICERS

Frank, Vice-President; Leonard, Secretary; Phillips, Publicity Chairman; McFarlin, President; Freeman, Treasurer.

G. A. A., Girls' Athletic Association, under the sponsorship of Mrs. Dora Hayden and Mrs. Jane Cox, has provided many athletic and social activities during the 1951-52 school year.

Softball started off the year. Basketball came next, and as usual was a big success. Volleyball, tumbling, swimming, and bowling followed in line, and with the coming of spring, softball and golf were the popular sports.

The Girls' Athletic Association made a huge success of their social activities. The buddy picnic was held with the old members bringing a lunch for the new members. On February 4, the new members were initiated informally by doing skits, poems, and songs; then formally by a candlelight ceremony in which they heard the creed of G. A. A. read by the officers.

In order to raise money, G. A. A. sold boxes of salt water taffy, and sponsored hops after a few football games.

At the annual banquet, held on May 8, awards were presented and new officers installed.

Throughout the year, an estimated crowd of 20,000 to 25,000 enjoyed playing ping pong, cards, and checkers, listening to the radio in the lounge, and dancing. Soft drinks were served at the snack bar.

The youth center sponsored many orchestra dances this year, including the Freshman Welcome Dance, the Thanksgiving Dance, the Holiday Dance, and the Valentine Dance. They also had many hard times parties to change the pace of activities.

The year was climaxed with the Graduation Dance in honor of the class of 1952 and the retiring Tiger's Den officers.

FOR GOOD FOOD

West of Five Points

Urbana

In the past one hundred seventy-six years, as our country has grown and developed, business, agriculture and labor have each become "big." Probably of necessity, government likewise has become "big."

Our government today, including federal, state, and local, is larger than any industry. The public schools alone are "bigger" than any single private enterprise.

It is more important than ever before that we have men and women of high integrity in governmental positions of compensation or honor.

We salute you, the senior class, for applying yourselves to the task you have just finished. We would like to invite you to apply yourself in the same manner to the responsibilities of citizenship in our democracy.

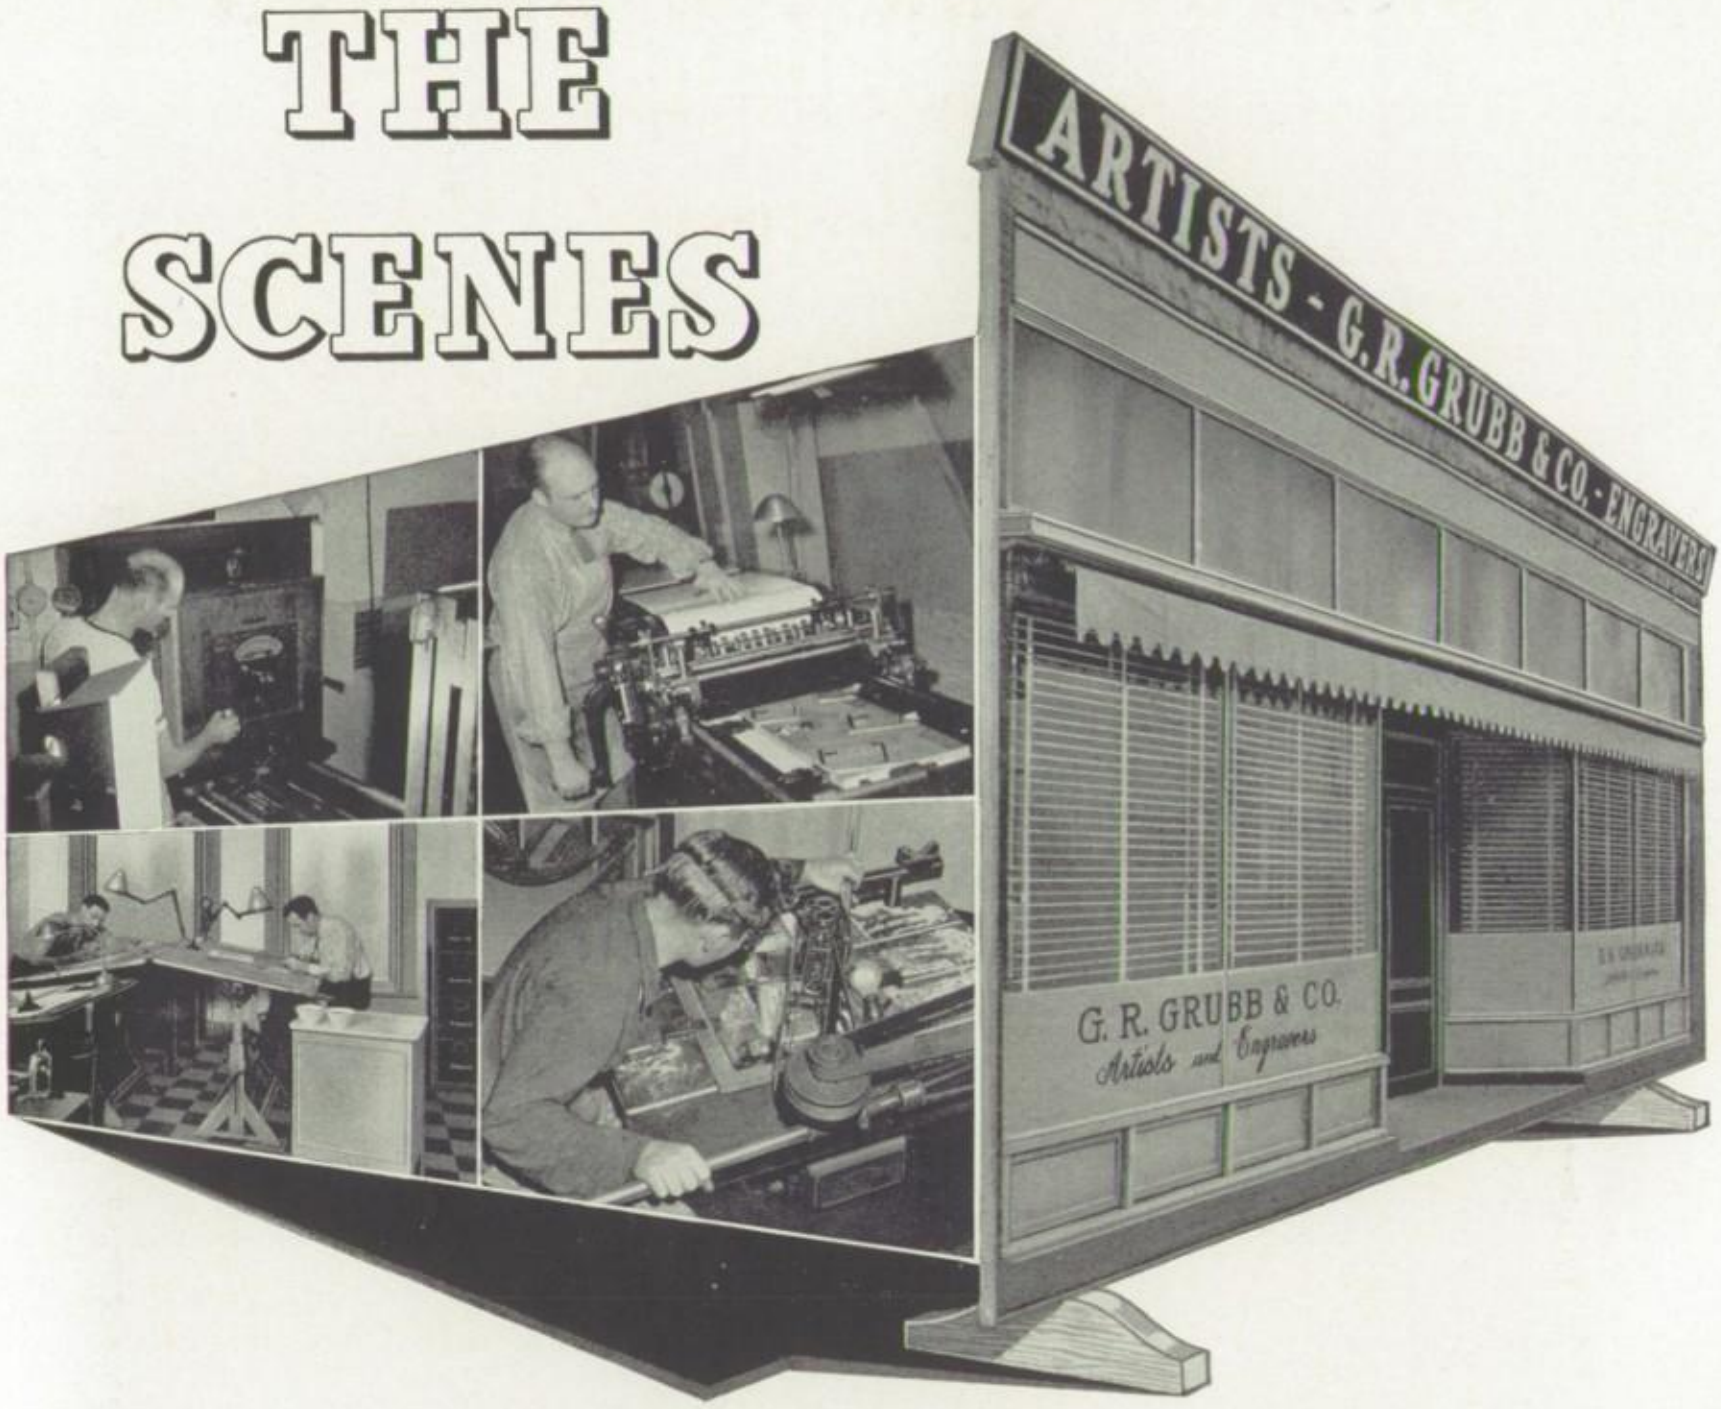
BEHIND THE SCENES



The glamour of huge industrial plants, intricate machinery, and mass production methods is the usual mental picture of American Industry. And a true picture of much manufacturing . . . but not so with photo engraving.

Machinery? Certainly! Precision equipment, but not mass production. Glamourous? Yes! Skilled hands and chemical processes and always intriguing.

Your year book is the result of many procedures . . . photography, copy writing, art, engraving, printing and binding, plus salesmanship, accounting, etc.

The graphic arts industry has many branches and many opportunities. You might consider the possibilities of your future in this highly interesting business.
